Assalamualikum W.W.

My courtesy and respect to our Chief Minister, Hon. Ahod Ebhrahim, to my fellow Ministers and Members of the Parliament, AKAP-BM Focal Dr. Anwar Saluang, AKAP partners, Guiamel M. Alim, CBCS Chairperson, and Mr. Rizalino Baranding, Institutional Partnership Specialist, other colleagues in BARMM, good morning.

First of all I would like to congratulate MBHTE and its partners behind this project, given the barriers you have faced, you are closer to the end of the final implementation for AKAP-BM. This is very commendable in bringing education to our kinder learners to their Barangays, and having been invited to this program, is such an honor, and we greatly welcome any collaborative effort to sustain its commitment to “leave no child behind”. MPOS’ program on peace education is inclusive to all including children. We need to teach them basic concept on peace, and how to observe and achieve it. This is a vital grooming for them to becoming peace loving citizens, and as future leaders. As a ministry mandated with service delivery to attain peace in the BARMM region, within its capacity, the Public Order and Safety is committed to extend support to the success of this project.

Wa billahi Tawfik Walhidaya, isa pong taos pusong pasasalamat at muli magandang umaga para sa lahat. Assalamu Aykum Warahmatullahi Wabarakatuh.
