My respect and courtesy to all the guests and participants for this Capacity Building for Political Leaders in Davao Region. We are very thankful that you join us on this activity which is designed to strengthen and improve our leadership. As member of the Parliament of the Bangsamoro Transition Authority, and a UBJP official, it is our sworn duty to provide programs that essentially create opportunities to capacitate our political leaders and party members. We aimed to work collaboratively with the officials to enhance the services of the political party in providing sustainable relevant services to its members and respective communities.

We envision a UBJP core members that is well-trained in policy making, community organizing, social dialogues, and among others, to establish a strong party with empowered core members and leaders proficient in carrying out its roles and functions in the service to the constituents. We must equip and educate ourselves with the right knowledge and skills in leadership in the service of the people and communities.

Aqoolo Qawli Hadaa, Wa Astagfirullah. Wa billahi Tawfik Wal hidaya. Assalamu Alaykum Warahmatullahi Wabarakatuh.
