Audhobillahiminashaytannirrajeem. Bismillahirrahmanirraheem.

Rabbi shrahli sadri, wa yassirli amri, wahlul uqdatan min lisaani. Yaf kahu kawli. Amma baad...assalamu alaykum warahmatullahi wabarakatuh!

My courtesy to deputy minister, hon. Abdul Qudos P. Balitok, to all the staff of the Ministry of public order and safety, good morning and welcome to the MPOS in-house general orientation. It is a pleasure to have you all here, for this very important activity in relation to our obligations as personnel of the ministry of public order and safety.

As we execute our commitment to practice moral governance, our service as public servants comes with accountability on the basis of republic acts or executive orders enacted to be observed and strictly followed so we perform with rightful conduct on our duties and responsibilities. "may mga proseso at pamantayan tayo bilang manggagawa na nakasaad sa batas ay kailangan sundin upang tayo ay maging matapat at malinis na kawani ng gobyerno lalo na sa ilalim barmm leadership na mariing nagsusulong ng moral governance bilang pundasyon sa matibay na pamumuno para sa masagana at maunlad na bangsamoro."

In response, it is but necessary that we equip ourselves with essential information on how we can deliver with utmost honesty and decency. On this regard, I commend the administration and finance, and hr unit of MPOS for setting this avenue for all its personnel so they will understand their obligations and the accountability respective of their positions. I am pleased that you have opened this opportunity for deliberations and clarifications on matters that concerns their performance as they carry out their respective duties and responsibilities as public servants.

I hope that this activity will yield bonding agreement to be strictly complied by all. Nonetheless, I expect respect, participation and cooperation, and productive discussion from all of you.

Shukran. Assalamu alaykum warahmatullahi wabarakatuh!!!
