AUDHO BILLAHIMINASHAYTANIRRAJEEM.
BISMILLAHIRAHMANIRAHEEM.

Innal Hamdulillah Wa Nahmaduhu Wa Nusalli Ala Rasoolillahil Kareem, Amma Baad...Assalamu Alaykum Warahmatullahi Wabarakatuh and good morning to all of you.

Pagpapasalamat at pagpupugay po sa inyong lahat, lalo na sa ating Director-General, Atty. Al-Rashid Balt, at Chief Administrative Officer, Jobayra Tandalong. Sa ngayon pa lang po, binabati na namin kayo at isang malaking pasasalamat sa inyong pagpupursigi na maging matiwasay ang mga proseso sa opisina. To reiterate what I said during the oath-taking ceremony in Dakak, I expected nothing but your best to create a conducive and responsive workplace based on mutual respect and integrity setting example as good Bangsamoro Public Servants who perform your duties and responsibilities on time and by the book, and with the creation of the Manual of Operations for the Administration and Finance Division, may this be a founding procedure that nurture punctuality and honesty, and more importantly, it preserves the discipline and respect that you all deserve. May this enhance the coordination, cooperation, and communication, among the Administration and Finance Units, and between the Admin and Finance and all the units of the office. Alam po namin na ginagawa ng lahat ang kanilang kakayahan upang mapabuti ang ministrong ito sa kabila ng paghahabol sa kanyang mandatu, pero huwag nating makaligtaan ang pagpapanatili ng respeto sa bawat isa. With or without the manual of operations, by logic, we can work with honesty and integrity. But with the creation of the Manual of Operation for the Administration and Finance Division, we hope even more that we work as Bangsamoro Public Servants with mutual respect. It is always the quality of the relationship that we build behind the achievements that we accomplish and look forward, in line the with principle of a genuine Moral Governance.

Wa billahi tawfik Wal Hidayah, Magandang umaga. Assalamu Alaykum Warahmatullahi Taala Wabarakatuh!
