Assalamu Alaykum Warahmatullahi Wabarakatuh.

Hindi po kaila, at lagi naming sinasabi na ang MPOS ay nagsisimula pa lang at nangangailangan ng gabay at tulong una-una sa mga emplyado ng MPOS, sa BARMM, sa LGU, sa NGOs and CSO's. Sa pagpapatupad po ng kapayapaan at seguridad, ito po ay tungkulin ng lahat kaya't isang malaking bagay po ang pagkakaroon ng ugnayan sa lahat. Sa The Asia Foundation po sa pangunguna ni Sir Cris V. Cayon, Chief of Party Forward Bangsamoro Project na nagpa-abot ng kanyang mensahe represented by Sir Rahib Nando, the Capacity Development Specialist Forward Bangsamoro ng The Asia Foundation, sa atin pong Rido Digital Profiling Facilitator, Eng. Jake Abdullah, Program Officer, CIRCLE Project, at sa ating Secretariat, si Maam Kai, in behalf po ni Minister Hussein P. Muñoz, taos puso po kaming nagpupugay at nagpapasalamat sa pagsuporta sa aming mandato lalo na on Rido Settlement.

Ang training po na ito ay timely and relevant sa pagpupursigi po ng MPOS na matugunan ang cases ng RIDO in the BARMM region alinsunod sa kanyang mandato. Sabi nga ni Sir Rahid, this profiling will be the basis in programming or enhancing our PPAs and formulating a policy in addressing Rido cases in the BARMM region. At dahil DIGITAL sya, o isang Pindot lang sabi DOC JOLLY, mas mapapadali ang pagtugon natin sa ating MANDATO on Rido Settlement.

The challenge is on how we innovatively utilize this tool, for the benefit not only for the workers on the ground but for the BARMM as whole. Alam nating hindi sapat ang tatlong araw na training, but Alhamdulillah we have learnt a lot. Muli nagpapasalamat kami sa The Asia Foundation, and we are looking forward for next collaboration, in good we remain.

Wa billahi tawfik Wal Hidayah, again, Assalamu Alaykum Warahmatullahi Wabarakatuh! Muli magandang hapon. Assalamu Alaykum Warahmatullahi Wabarakatuh.
